John Pirelli #1633 Interior Enhancement Project

As announced at the June General Membership meeting; we have been approached by numerous members interested in personally supporting the Bella Villa Hall Expansion, as a result we have begun a fund raising campaign. However, instead of directing donations into the general construction budget we decided to focus the donations toward a more defined and visible goal. We plan on focusing the donations on INTERIOR ENHANCEMENTS which you will be able to experience and appreciate every time you walk into the new Bella Villa Hall for years to come. These INTERIOR ENHANCEMENTS will include items such as an upgraded level of finishes and trim, a new sound system, additional tables, artwork, and window treatments to name just a few possibilities. We encourage all members to take advantage of this unique opportunity to be a part of the expansion of your Bella Villa Hall. All donors shall be recognized on a plaque to be displayed in the new Bella Villa Hall. Please see donation form below for more details. Contact the John Pirelli Council or the Bella Villa Hall Expansion Committee if you have any questions. The fund raising campaign will conclude on December 31, 2018.

THANK YOU FOR YOUR SUPPORT!
